Sexual Risk Avoidance(SRA) Program 7th, 8th, & 9th grade

As a student in the Warren County School System, your student will be instructed in a program with the information provided by Choosing the Best (Path - 7th grade), and (Life - 8th grade). This program will be part of your child's 7th, 8th, & 9th grade classes. A Registered Nurse will teach the classes.

The curricula promote the prevention of teen high-risk behaviors and deal with topics including developing healthy relationships, preventing sexual violence (including sexual assault/rape), preventing STDs, preventing teen pregnancy, avoiding HIV/AIDs, delaying the onset of sexual activity, setting limits, resisting pressure, and consequences of high-risk behaviors (alcohol and drugs). Students will be given accurate health information on sexually transmitted diseases and HIV.

An overview and sample video of the information presented in class can be found at choosingthebest.com. Select Curricula (top right), then under Middle School Programs, select Choosing the Best PATH Grade 7, and Choosing the Best LIFE Grades 8 & 9.

Students not participating in SRA education in the classroom will be assigned lessons using Everfi. These lessons include: Character Playbook: Building Healthy Relationships, Alcohol Education: Safe and Smart, Ignition: Digital Wellness and Safety, Vaping: Know the Truth. Additional lessons may be assigned as needed. The additional lessons are: Prescription Drug Safety: Know the Truth, and Understanding Mental Wellness. Students will be graded on participation by completing the lessons. To preview the lessons, create an account in Everfi (free online). Choose the lesson you want to preview and select details. You will then see the preview option.

Students not returning a permission form, will be assigned the Everfi lessons.

If you have questions or want more information email Patricia Hiner, RN, nurse educator at hinerp@warrenschools.com.

Please sign and return.

I **do** give permission for _____ to participate in the Sexual Risk Avoidance class.
Student's Name

I **do not** give permission for _____ to participate in the Sexual Risk Avoidance classroom lesson. Student's Name My student will be assigned lessons using Everfi.

**** An overview of the SRA program will be presented annually in September at the Warren County Board of Education office. This will allow the opportunity for families to review the Family Life Curriculum that is presented in the classroom. Parents of eligible students will be notified prior to the meeting.**
