Sexual Risk Avoidance Program 7th, 8th, & 9th grade

As a student in the Warren County School System, your son/daughter will be instructed in a program entitled Pure & Simple Choice, Choice 2, or the abridged version. This program will be part of your child's 7th, 8th, & 9th grade classes. A Sexual Risk Avoidance specialist and/or a Registered Nurse will teach the classes.

The curricula promotes prevention of teen high-risk behaviors and deals with topics including whole person development, goal setting, decision making, setting personal boundaries, assertiveness techniques, media influences, internet safety, relationship skills, and consequences of high risk behaviors (alcohol, drugs, premarital sex). Students will be given accurate health information on sexually transmitted diseases and HIV. Students will fill out the anonymous pre and post session surveys.

PowerPoint presentations used during this class may be viewed by visiting the Health Services website at <http://www.warrenschoools.com> then going to the Health Services page under District Departments. The video clips used in class may be viewed by contacting the Health Services Department at 931-668-4022.

A parent or guardian who wishes to excuse their child from any portion of the Sexual Risk Avoidance classes shall submit a request in writing to the student's teacher or principal.

❖ Please sign and return only if you DO NOT wish for your child to participate.
